## History

This is an attempt to document the history of the East Husker Conference, which was founded in 1941 as the "Husker Conference" and began competition in the fall of 1942.

This combines both the East Husker Conference with its counterpart, the West Husker Conference. Where possible, both conferences' team champions have been found. In many of the activities, there was one sole champion—for example, the Husker Conference had one single track meet until 1973. Following that year, the conference split up the majority of its activities between its two sides.

In addition, from 1947-1976 there was a playoff between the two sides in football and boys' basketball. Those results are given here.

There are some oddities—the West Husker did not have a regular season team champion for volleyball or girls' basketball because not all of the schools played each other...so, the tournament results from those years are posted as conference champions.

These results come from Jerry Mathers' A History of Nebraska High School Sports (1980 edition) as well as the scrapbook files at Wisner-Pilger High School. There are very likely to be errors, and there are many blanks that need to be filled—PLEASE pass along any/all corrections!

### EAST/WEST HUSKER CONFERENCE HISTORY

December 8, 1941—The Husker Conference is formed at a meeting at Wisner High School. Stanton, Wakefield, West Point, Wayne, Pender and Wisner are the original schools. Stanton, Wakefield and

Wisner join from the defunct North Central Conference; Wayne from the NENAC; while West Point continues to remain in the Cornhusker while also joining the Husker Conference.

1942—The Husker Conference begins competition.

1947-48—Due to expansion, the conference splits into West (Wisner, Stanton, Wayne, Madison, Neligh) and East (Wakefield, Pender, West Point, Oakland, and Lyons) Divisions. West Point, Oakland and Lyons were also in the original Cornhusker Conference, with Scribner, Tekamah, Hooper, and North Bend. A championship game between the two divisions is started in football and boys basketball, with the football game played the week of Thanksgiving (later moved to Veteran's Day). It would be the last high school game played in the state every season until the state playoff system was created. The home site for the football was rotated every year between the two divisions, while the basketball championship was played at neutral sites until the late 1960's, when they alternated similar to the football playoff.

1958-59—Conference expands again—Wisner is moved to the East Division, as Bloomfield, Pierce, Plainview, and Laurel join the West Division.

1965—Scribner joins the East Husker, but like Pender, West Point, Oakland and Lyons keeps membership in the Cornhusker.

1967—Cornhusker Conference member Hooper merges with Uehling and participates as Hooper-Uehling. Within a year, they would merge with Nickerson, and the district would re-name itself Logan View.

1969—"Merger Fever"—Wisner merges with Pilger, Oakland merges with Craig, and Tekamah merges with Herman. While the O-C and T-H mergers are accepted, the W-P merger frightens the Husker Conference, as the schools felt that W-P would dominate the athletic activities (Pilger had been "D" state football champion the previous year) and considered kicking the new school out of the conference. None of that happened.

1973—The Cornhusker Conference disbands, as most of the member schools are already in the East Husker. Those schools not yet in the EHC (Logan View and North Bend) are accepted into an enlarged EHC, and the Cornhusker Conference's pride and joy, their boys' basketball tourney, becomes the East Husker Conference basketball tournament, which continues today.

1973-74—With the enlarged East Division, Wakefield and Wisner-Pilger are moved to the West Husker, which has gone through radical changes. In a space of a few years, Plainview, Neligh, Bloomfield, Pierce and Laurel have dropped out to join the NENAC, and Hartington Cedar Catholic, Columbus Lakeview, and Emerson-Hubbard replace them.

1974-75—Because of the new state playoff system in football, the Husker Conference football championship game is discontinued. Within a few years, the track, wrestling and speech/drama contests would be split into separate contests.

1976—The last East/West Husker Conference basketball championship game is held.

1977—Stanton leaves the West Husker Conference to join the Mid-State Conference; Wakefield leaves the West Husker Conference to join the Lewis and Clark Conference. West Point CC joins the West Husker from the Centennial Conference. From this point on, the West Husker is a totally separate entity from the East Husker.

1981—Columbus Lakeview leaves the West Husker Conference, while Emerson-Hubbard and Madison leave the West Husker Conference to join the Lewis and Clark and Mid-State conferences, respectively.

1982—The four surviving West Husker schools—Cedar Catholic, Wayne, WPCC and Wisner-Pilger-- decide to dissolve the West Husker Conference by 1983. Wisner-Pilger, WPCC and Wayne each apply

to join the East Husker, of which Wayne and W-P are the final candidates. W-P is accepted because it is the smaller school of the two schools, and closer to the other eight EHC schools.

1982-83—Wisner-Pilger competes in two EHC activities--speech and track-as they begin the transition. W-P wins both the East and West Husker track titles, the last unified Husker Conference title.

1983-84—Wisner-Pilger joins the East Husker Conference in all activities. Cedar Catholic and Wayne join with O'Neill and South Sioux City to form the North East Conference, which holds on until 1994-95. W-PCC joins the Mid-State Conference.

1985—Lyons merges with Decatur, forming Northeast High School. The name is soon amended to Lyons-Decatur Northeast.

1986—Scribner, which had been a "B" school as recently as 1970, drops to 8-man football, becoming the first East Husker school to play in that division.

1988—Scribner merges with Snyder.

1996—Football Championship was split between large and small schools

2000—EHC returns to 1 football championship

2001—After twenty-four years, Stanton leaves the Mid-State to re-join the East Husker.

2003—NSAA football scheduling begins which eliminates the ability to have a conference champion.

2004—West Point merges with Beemer.

2011—The Mid State Conference begins to aggressively pursue other schools to join their organization—they target several EHC schools but failed to attract any. In order to strengthen the conference, the EHC does the same with schools from the dying "modern" Cornhusker Conference, which is made up of former Mid State Conference schools.

2012-13—Newly merged Howells-Dodge and Cornhusker Conference schools Humphrey and Clarkson/Leigh join, as well as Twin River, giving the Husker/EHC its farthest western representation ever. The conference splits into two regular season divisions in basketball, volleyball and one-acts—Platte (for the larger half of schools) and Elkhorn (for the smaller division).

2013-14—After thirty-two years, Madison returns to the East Husker Conference from the Mid-State, while Bancroft-Rosalie also joins from the Lewis and Clark.

2020-2021—Logan View leaves the EHC to move to the Capital Conference.

2022-2023—EHC decides to do all split activities based on East/West and not the Platte and Elkhorn Divisions.

2024-2025—Twin River leaves the EHC to move to the Crossroads Conference. Wakefield joins the EHC from the Lewis & Clark Conference. The conference Girls Golf and Softball tournaments are suspended due to low team numbers.
